Performance data quoted represents past performance. Past performance (before and after taxes) is not a guarantee of how the Portfolio will perform in the future. Investment returns and principal values of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Investment performance, current to the most recent month-end, may be lower or higher than the performance quoted. It can be obtained by calling (800) 531-5142. All results are historical and assume the reinvestment of dividends and capital gains.

The Fund's investment objectives, risks, charges, and expenses must be considered carefully before investing. The statutory Prospectus and Summary Prospectus contain this and other important information about the investment companies. They may be obtained by calling (800) 531-5142. Read carefully before investing.

Aggressive Growth Portfolio's stocks may appreciate in value more rapidly than the stock market, but they are also subject to greater risk, especially during periods when the prices of U.S. stock market investments, in general, are declining. The Portfolio invests in smaller companies, which will involve additional risks such as limited liquidity and greater volatility. The Portfolio also invests in foreign securities, which will involve greater volatility, political, economic and currency risks, and differences in accounting methods.

Dow Jones Industrial Average is an average of the stock prices of thirty large companies and represents a widely recognized unmanaged portfolio of common stocks. S&P 500 is a market-capitalization weighted index of common stocks and represents an unmanaged portfolio of common stocks. Returns shown for these indices reflect reinvested dividends as applicable, but do not reflect a deduction for fees, expenses or taxes. Indices are unmanaged and are not subject to fees and expenses. You cannot invest directly in an index

Mutual fund investing involves risk; loss of principal is possible. Not FDIC Insured. No Bank Guarantee. May Lose Value.
